REPORT OF THE ALBERTA LIQUOR CONTROL BOARD

This Report, which is the thirty-third, submitted by the Alberta Liquor Control Board, covers its operations during the fiscal year which ended on the 31st of March, 1957.

The customary financial statements and appendices, which form part of the Report, cover in detail the Board's several activities.

Net profit on sales for the fiscal period amounted to \$16,657,384.03.

The sale of Permits during the same period realized \$256,218.00. This amount was paid over to the Honourable the Provincial Treasurer, in accordance with the provisions of Section 210 of the Liquor Control Act, and is not included in the financial returns of the Board.

A Statement showing the number and class of each Permit issued during the twelve-month period, April 1st, 1956, to March 31st, 1957, will be found in Appendix "B".

LICENSES

All licenses issued during the fiscal year expired 31st March, 1957.

One distillery and six breweries were licensed, and their operations were conducted in a manner satisfactory to the Board. The premises of these manufacturers were visited at frequent periods by representatives of the Board, and their manufactured products were subjected to continuous inspection and analysis during the year. A high standard of quality has been maintained in all instances.

Beer licenses were issued in respect to four hundred and fifty-one hotels. Thirty-three of these hotels were sold during the year and new licenses were issued to the purchasers.

The following hotels were destroyed by fire:

Evansburg Hotel — Evansburg, Alberta.

Gainford Hotel — Gainford, Alberta.

Hay Lakes Hotel — Hay Lakes, Alberta.

License for one hotel was not replaced.

Infractions in the operations of licensed premises were responsible for penalties, as follows:

Twenty Hotels:

Serving minors	6
Selling beer during prohibited hours	2
Selling beer in excessive quantities	1
Selling beer to a minor for off-premises consumption	1
Unsatisfactory operation of licensed premises	2
Permitting minors to remain on licensed premises	3
Selling beer on credit	1

ALBERTA LIQUOR CONTROL BOARD

Allowing unsatisfactory conduct in beer sales room	1
Failure to maintain premises to Board Standards	3
Two Clubs:	
Permitting unsatisfactory conduct	1
Permitting consumption of beer on Club premises on Sunday	1

These cases were all thoroughly investigated and in each case the Board was satisfied that the licensee or his staff had been negligent in the performance of their duties under the provisions of the Liquor Control Act.

Apart from the comparatively small number of licensees who incurred penalties for lax operation, the licensed Hotels throughout the entire Province have given efficient and satisfactory service to the travelling public. Very important amounts have been expended throughout the year under review in providing more acceptable accommodations and service to guests.

In its policy of endeavouring to improve the standard of accommodations in licensed Hotels throughout the Province, the Board has received the utmost co-operation and assistance from the President and Directors of the Alberta Hotel Association, as well as from the Officers of that organization. The Association, in conjunction with its Scholarship Plan, has maintained a staff whose duties call for full co-operation with the Hotelmen, in an educational way. This method has proved itself to be very effective. To the Officers and Officials of this Association, the Board takes this opportunity of expressing its sincere thanks.

Sixty-three Club beer licenses, eighteen seasonal Club beer licenses, twenty Club liquor licenses and seven seasonal Club liquor licenses were issued.

With the exception of two in number, the Clubs receiving Club licenses and Club liquor licenses conducted their premises and operations in a satisfactory manner.

Canteens and Messes operating under direct control of the Armed Forces of the Crown were granted thirty-four beer licenses and thirty-nine liquor licenses, and in all instances conducted their premises in a manner satisfactory to the Board.

The statements showing licenses issued and any penalties imposed will be found in Appendix "A".

LAW ENFORCEMENT

The enforcement of the provisions of the Liquor Control Act is entrusted to the Officers of the Royal Canadian Mounted Police, and to the Police Forces of the Cities, Towns and Municipalities throughout the Province. In addition to the strict enforcement of the provisions of the Act, the Board is deeply indebted to the Officers of these Forces for additional co-operation and assistance, from time to time, in dealing with the complexities of its administrative duties. To all of them, the Board takes this opportunity of expressing its very grateful appreciation and thanks.

ANNUAL REPORT, 1957

The Board forwarded liquor by mail to Permittees who reside at points where express service is not available. One thousand, five hundred and sixteen such packages were dispatched during the year, at a cost of \$1,141.39 for postage.

STAFF

The Board has continued to receive the loyal co-operation of the staff at the Head Office and also at the Warehouses and Stores throughout the Province, for which Members of the Board wish to express their grateful appreciation.

Respectfully submitted,
GEORGE A. CLASH,
Chairman.

Contingent liability:

The Board has a contingent liability with respect to non-contributory pensions which may be awarded upon employees reaching retirement age. Edmonton, Alberta, August 8, 1957

I have audited the books and records of the Alberta Liquor Control Board for the year ended March 31, 1957.

Physical inventories of liquor, beer and containers were taken at March 31, 1957, by officials of the Board. Quantities were certified by respective warehouse and store managers. Cost of transferring stocks from warehouses to stores was not included in the inventory valuation. Inventories included goods on consignment amounting to \$460,653.80, the corresponding liability being included with accounts payable on the Balance Sheet.

Subject to the foregoing, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of the Alberta Liquor Control Board as at March 31, 1957, according to information and explanations given to me and as shown by the books of the Board and the accompanying Statement of Profit and Loss correctly sets forth the result of operations for the year ended at that date.
